EXPERIENCE

Operations Manager 2024–Present
Lawyer's Aid Service, Inc., Austin, TX

- Directed office operations and redesigned onboarding workflows, creating standardized documentation that reduced new-hire ramp-up time by 20%.
- Improved compliance with Texas Secretary of State filing requirements, cutting document rejection rates by 25% and saving clients time and costs.
- Optimized financial processes including AP/AR, invoicing, and payroll, reducing reconciliation cycles by 30%.

Freelance Full Stack Web Developer 2022–Present
AzTech Solutions, Remote / Austin, TX

- Developed and launched responsive web apps using Next.js, Vue, and Tailwind, accelerating client launch cycles by up to 40%.
- Automated client workflows by integrating APIs for state filings and CMS platforms, eliminating manual data entry.
- Deployed scalable solutions via Azure, Vercel, and Netlify, ensuring 99.9% uptime for production environments.

Fitness Consultant 2021–Present
El Mar Fitness LLC, Remote / Austin, TX

- Designed tailored strength and nutrition programs, increasing client retention and achieving measurable performance improvements.
- Oversaw full business operations—including client acquisition, reporting, and compliance—achieving consistent year-over-year revenue growth.

PROJECTS

marshallbenson.com Nov 2024–Mar 2025
Full-Stack Web App

- Built a secure full-stack app with custom CMS and authentication to safeguard artist content.
- Integrated Azure Web App + SQL Server backend with Squarespace, improving content deployment speed by 50%.

elmarfitness.com Feb 2023–Present
Business Website

- Launched a platform with automated scheduling, email campaigns, and CMS integration.
- Improved mobile UX and reduced load times through caching, image optimization, and critical CSS.

HomeLab 2024–Present
Custom Home Server with Remote Access and Local LLM

- Implemented Flask APIs, Tailscale, RustDesk, and Sunshine/Moonlight for secure remote access and low-latency streaming.
